Founded in 1985 by directors Elizabeth and Jimmy Miklavcic, the mission of Another Language is to combine different art forms in innovative ways and to broaden access to community arts education with the aid of today's communications technology.

The variety of performances Another Language created are broad in definition, but the company emphasis for the first ten years was dance based interdisciplinary concerts. Some historical photographs of these performances are shown in this newsletter.

Another Language looks toward the future with the *InterPlay* performance series in the upcoming *InterPlay: Event Horizon*. Detailed information on the week of panel discussions and performances will be included in next quarter's newsletter, but for now, we present a visual celebration of the past.
